

SEFI ANNUAL CONFERENCE
19-22 September 2022
BARCELONA

WORKSHOPS

Submitting and managing a contribution to SEFI 2022:

Log in to your account to submit a contribution, access your submitted contributions and view the results of the reviewing process. As a reviewer you may enter and edit reviews (ConfTool).

The submission and review process of workshops differ from paper contributions. This is due to the nature of workshop session, which lasts **60 minutes**.

- Workshops proposals are submitted in the form of an extended abstract of **maximum 500 words** until **30 March 2022**.
- Authors of accepted abstracts can submit a full workshop description of **maximum 1000 words** until **1 May 2022**.
The full workshop description is undergoing a double-blind peer review process, running in parallel to the review process for the full papers.
- At the conference, during the workshop sessions, authors and participants will discuss and reach some conclusions.
It will be possible to include these valuable results in the conference proceedings by submitting a revised version in ConfTool of **maximum 1500 words** until **27 September 2022**.

All accepted workshops are part of the conference proceedings.

The structure of a workshop shall address the following questions:

- **What are session participants expected to learn?** (motivation and learning outcomes).
- **Why is the session relevant?** (background and rationale of the session).
- **How are session participants activated?** (engagement of and interaction with session participants in alignment with expected learning outcomes).
- **How will results be summarized?** (take home message for session participants).
- **How is this work significant for Engineering Education?**
